THE UNIVERSITY OF  
**WAIKATO**  
*Te Whare Wānanga o Waikato*

*Programme*  
**April 2008**

# The University of Waikato

## The Crest

The outside red border - a stylised fern frond or pitau - symbolises new birth, growth, vitality, strength and achievement. Inside the border is the University's coat of arms. The open book surrounded by the four stars of the Southern Cross is a symbol of learning. The crest design is in the University's colours of black, red and gold.

THE UNIVERSITY OF  
**WAIKATO**  
*Te Whare Wānanga o Waikato*

## Ko Te Tangata

The University's motto, Ko Te Tangata/For the People reflects our intrinsic belief that people are central to the institution and are its most valued resource.

## Waiata

### **Ko Te Whare Wānanga o Waikato**

*Ko Te Whare Wānanga o Waikato e tū nei  
'Ko te Tangata' te tohu  
Tīhei mauri ora!!  
Waikato te iwi; Waikato te awa;  
Taupiri te maunga; Tainui te waka.  
Ko Te Whare Wānanga o Waikato e tū nei  
Ko te tino kaupapa he hora mātauranga ki te ao.  
KŌKIRI!*

### **The University of Waikato**

*This is the University of Waikato presenting to you  
'The People' is the emblem  
Behold I live!!  
Waikato the people; Waikato the river  
Taupiri the sacred mountain; Tainui the canoe  
This is the University of Waikato presenting to you  
Its purpose, to spread enlightenment to the world.  
ONWARD!!*

# Welcome

*Today we join with you in celebrating your outstanding achievement, or that of your family member or friend, in gaining a world-class qualification.*

*At the University we are proud that each of our students has been challenged, and has grown. Time at Waikato teaches skills - learnt in and outside of the classroom – that create some of the most sought after graduates in New Zealand and overseas.*

*We pride ourselves in graduating students not only with an excellent qualification, but with leadership skills, bold ideas and unlimited ambition.*

*We send each and every graduate out to make their mark, and to take new New Zealand ideas to the world.*

**Rt Hon. James Bolger ONZ**  
Chancellor

*Welcome to the University of Waikato's graduation ceremonies. I am honoured to host you at this special occasion where we acknowledge and celebrate the immense achievements of our students, your friends and families. Together we share the graduates' pride in their success, and acknowledge the tremendous hard work that underpins the completion of a university qualification.*

*On behalf of the University I congratulate all graduates and wish you future success and happiness.*

**Professor Roy Crawford**  
Vice-Chancellor

# Honorary Doctorates

*An Honorary Doctorate is the most prestigious award that the University of Waikato can bestow. For their significant contribution to the University, the Waikato region and the wider New Zealand community, the University was pleased to award the following worthy recipients:*

BRIAN RICHARD PERRY  
CONFERRED 13 FEBRUARY 2008

---

Founder of The Perry Group, Brian Perry established and ran an organisation that is undoubtedly a major factor in the prosperity of the Waikato region.

A long time supporter of this University, Brian's fundraising efforts and contributions date back to the 1960s. He co-chaired the fundraising appeal for the indoor recreation centre and in 1994 received the University of Waikato Medal, reserved for those who have provided distinguished service to the University and its communities.

Today, the Perry Foundation helps individual students achieve excellence through the Brian Perry Business Management Scholarship, the Perry Foundation Scholarship in Science and Engineering, and Sir Edmund Hillary high-performance scholars.

Despite his significant business successes and his extensive philanthropy, Brian has gone out of his way to avoid personal recognition. He is highly respected for his integrity, his kindness and his passion to help fellow New Zealanders. He has truly lived his own philosophy of putting back into the community in a way that is commensurate with what one takes out.

JOHN GALLAGHER  
CONFERRED 18 MARCH 2008

---

John Gallagher's significant contribution to "community governance", includes a long history of serving on community and commercial boards. He has been a Waikato Regional Councillor and a Hamilton City Councillor, including a term as Deputy Mayor, and was the founding President of Tourism Waikato. He is also a long serving Justice of the Peace.

Many organisations and initiatives have benefited from John's ongoing philanthropic and mentoring support.

This saw him made a Companion of the New Zealand Order of Merit in 2002, and an Officer of The Order of St John in 2000. In 2003 he gained a Special Lifetime Achievement Award at the Waikato Chamber of Commerce Westpac Business Excellence Awards.

John Gallagher has served on the University Council since 1990, and has filled the offices of both Pro-Chancellor and Chancellor. He is currently Chairman of the Foundation.

*(abridged citation)*

BILL GALLAGHER CONFERRED 18 MARCH 2008

---

This year is the 70th anniversary of the founding of the family-owned electric fencing, manufacturing and engineering firm that Bill Gallagher has built into the internationally-competitive Gallagher Group.

Bill was elected a Fellow of IPENZ, a Fellow of the NZ Institute of Management, a Distinguished Fellow of the Institute of Directors, and was inducted into the National Business Review Hall of Fame in 2004.

Bill Gallagher was awarded the MBE in 1987, the Queen's Commonwealth Medal in 1990, and made a Companion of the New Zealand Order of Merit in 1998. In 1996 he was the first non-north American

recipient of the Excellence in Communication Leadership Award, and in 2002 was named the Ernst & Young Entrepreneur of the Year.

Bill Gallagher is an exceptional "son of the Waikato" with an outstanding record of contribution to business, the Waikato economy and to the academic and wider community.

## RUUD KLEINPASTE

CONFERRED 7 APRIL 2008

---

'Bugman' Ruud Kleinpaste has iconic status in New Zealand. His ability to keep audiences of all ages spell-bound with stories about the ecology, the behaviour, and the vital role of insects is world renowned and he has an international profile as a media educator in these areas.

One of this country's leading science communicators, Ruud writes for newspapers and magazines as well as publishing books. He has also made a number of television appearances here and has hosted internationally syndicated television programmes for the Discovery Channel and Animal Planet.

Very closely aligned with the University's own focus on ecology, environmental conservation and sustainability, Ruud maintains his research, works as a consulting entomologist for Government departments and private companies, lectures on ecology and entomology, and is also deeply involved in New Zealand conservation efforts. Ruud holds an MSc honours degree in silviculture, animal ecology and conservation from Wageningen University, Netherlands.

*(abridged citation)*

## DR TĪMOTI KĀRETU

CONFERRED 11 APRIL 2008

---

The outstanding ability of Dr Tīmoti Samuel Kāretu as a multi linguist has formed the foundation of a life dedicated to the revival of the Māori language. Charged by the University in the early 1970s with establishing the first stand-alone Māori Department in any of the universities, he later became our founding Professor of Māori.

In 1987 Dr Kāretu was appointed the first Commissioner and CEO of the Māori Language Commission to promote the use of the Māori language as an official language in New Zealand.

He is the current Chairperson of the Kōhanga Reo National Trust, and the Executive Director of the Institute of Excellence in Māori. He is also a QSO and an Honorary Fellow of the NZ Educational Institute.

# A Brief History of the University

The University of Waikato had its genesis in 1956, when a small group of visionary individuals began working towards founding a university for the people of the South Auckland region.

A college, a sub-branch of Auckland University, was established in 1959 and in 1965, after opening its doors in 1964, the University of Waikato was officially opened by the then Governor-General, Sir Bernard Fergusson (later Lord Ballantrae).

From modest beginnings, on what was largely farmland and with a handful of temporary buildings and staff, the University of Waikato has a student population of 13,000 of whom more than 4,800 complete a qualification annually. Today, the University employs some 2,000 academic and support staff, making a significant contribution to the local economy.

The University has built research quality to be ranked No.3 in New Zealand and has forged strong international links; 175 agreements have been signed with universities around the world.

## THE CAMPUS

Our quality Hamilton campus environment, with grounds covering an area of 65 hectares, continues to be a source of community pride. The grounds include sports fields, walkways, three lakes and extensive gardens. Maintenance of the beautiful grounds is a priority, along with developing the built environment to accommodate the University's growing needs.

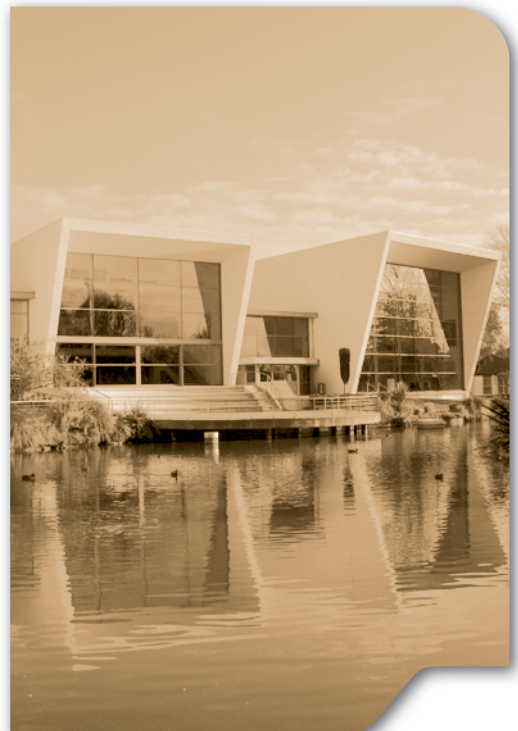

The Hamilton campus is also home to the WEL Energy Trust Academy of Performing Arts, a high-technology facility for the performance of drama, music, dance, and Māori and other cultural performing arts. It is also a vital teaching facility for the University, and a world-class performance venue, welcomed by Hamilton and the wider Waikato community who share it.

The University of Waikato has a campus at Tauranga and a strong relationship with the Bay of Plenty Polytechnic. Collaborative arrangements include the sharing of resources and services and joint provision of professional development and training opportunities for staff.

## Our Vision

*The overarching themes of our Vision are Excellence, Distinctiveness and International Connectedness; these drive the University of Waikato.*

We see our distinctiveness in terms of three interdependent components; Sustainability, Māori and Leadership. Our real distinctiveness comes in their synergy in the context of our identity. We are a New Zealand university, aware of our relevance and responsibilities to the region, and determined to compete on an international stage.

# Our Commitment

The University of Waikato is committed to delivering a world-class education and research portfolio, providing a full and dynamic university experience which is distinctive in character, and pursuing strong international links to advance knowledge.

Through sustained research and the attraction of high levels of external funding from public sector and industry sources, we aim to maintain a highly competitive research profile. Our staff participate in a wide range of research consortia, clusters, and multi-institutional research teams locally, regionally, nationally, and internationally. We are well-placed to contribute to the local and national economies by enhancing business capability in the region and increasing opportunities for the commercialization of intellectual property.

We play an essential leadership role in the prosperity of the Waikato, defined also in terms of the tribal boundaries of the 16 iwi affiliated to Te Rōpu Manukura. We sit at the heart of a community of strong regional partnerships and take pride in serving the strengths and interests of our region.

We are committed to increasing both the tertiary participation rate of our regional population overall, as well as the proportions of new school-leavers and postgraduate students. We are also committed to ensuring the ongoing relevance of the programmes we offer, and the effectiveness of our delivery of them.

We foster a culture of internationalisation, measured through the diversity of our student and staff profiles, a long-standing pride in our reputation for the pastoral care of our international students, and the measures we take through curriculum, programme design and our global networks and connections to international influences.

From inception we have been at the forefront of initiatives in support of Māori aspirations. Sir Bernard Fergusson placed Waikato as "the first of the New Zealand universities to be planted right in the heart of traditionally Māori country". Since our foundation, we have worked closely with local iwi, particularly Tainui, to make the University accessible to Māori students and to foster an environment of success. Today we are proud to have the highest proportion of Māori students of any New Zealand university.

We are proud too, of our evolution into a truly New Zealand institution supporting our country's nation-building policies and reflecting our nation's identity.

## Strength in Numbers

*The University of Waikato showed its strength by being ranked number 1 in New Zealand in 10 subjects in the Tertiary Education Commission's 2006 Performance-Based Research Fund.*

#1

- Accounting and Finance
- Chemistry
- Communications, Journalism and Media Studies
- Computer Science, Information Technology, Information Sciences
- Ecology, Evolution and Behaviour
- Management, Human Resources, Industrial Relations and Other Business
- Molecular, Cellular and Whole Organism Biology
- Music, Literary Arts and Other Arts
- Pure and Applied Mathematics

We are also ranked #1 in Education when University and College of Education scores are combined.

Waikato showed impressive numbers in its quality score for research over a wide range of subjects. We strengthened research performance in more than 85% of our subjects.

The numbers reflect the quality of our academic staff and firmly establish Waikato as a top research-led university. The numbers also show that students at Waikato are taught by staff at the leading edge of their disciplines.

# Ceremonial Traditions

*Elements of university graduation ceremonies have evolved from the 12th century when the first universities emerged in Europe.*

The organisation of medieval universities was modelled on the established institutions of the day – the church, the monastery, and the guild.

Latin was the language used by medieval scholars, and it is from Latin that the words 'university' and 'degree' are derived. The Latin term *universities* means a guild or union and universities started as a scholastic guild – a self-constituted community of teachers and scholars.

The word *graduate* comes from the Latin word *gradus*, which means step. Admission to study a bachelor's degree was the first step taken towards completing a university education. The second step was to become a 'master'. Masters were Master of Arts graduates whose degrees licensed them to teach. The Chancellor, an officer of the cathedral, originally granted teaching licences.

## CEREMONIAL ROBES AND ACADEMIC DRESS

In the Middle Ages the corporate existence of universities was recognised and sanctioned by civil or ecclesiastical authority. The regalia worn by graduates and university staff today reflect this mix of medieval governance. Robes worn by the Chancellor resemble those worn by the Lord Chancellor of England. Graduates and academic staff wear gowns similar to the dress of medieval clergy. Hoods are also fashioned on an everyday medieval garment, although the coloured lining was a later addition to indicate the wearer's university and degree.
